

## **Company Background & Capability**

We, **M/S Tilal Nimr Trading & Contracting Co. LLC** is the Premier Road and Infrastructure work contractor as well as having adequate excellence in paving and site development/set-up work in Oman. Tilal Nimr has been in the road & infrastructure work business since 2005. Our commitment to our clients is to maintain the highest level of quality while delivering cost efficient results and meeting the most demanding schedules.

Tilal Nimr was created in 2005 with a team of competent civil engineers and supervisory staff to perform site works e.g., Earth Work, Concrete Work, Road paving, and Erosion Protection Work.

Within a few years, Tilal Nimr has established itself as reliable civil work contractors in Oman. Our relentless focus on key areas of activities & services has helped generate tremendous goodwill. These developments, together with many more behind the scenes, have transformed TNTC and could not have been achieved without the energy and dedication of staff at all levels of organization.

We are doing business for the yearly turn over for the 5 million Omani rials since 2016, and having capacity to do the projects for the value of up to 6 million Omani rials.

We are having 150 no's of plants & equipment's like asphalt paving machines, excavators, grader, dozers, rollers, tippers, trailers, water tankers & etc., to handle small to medium range infrastructure projects.

### **Core Business: -**

- ❖ Construction of Road Projects
- ❖ Hills Cutting & Stabilizing
- ❖ Asphalt Paving Works
- ❖ Culvert and Bridges
- ❖ Earth work like cut and fill for mass quantity
- ❖ Trenching works for flow lines
- ❖ Storm water network
- ❖ Slope protection (Riprap)
- ❖ Well Pad construction works

## INTRODUCTION

We **M/s. Tilal Nimr Trading & Contracting Co. LLC.**, are an “**First Grade**” contractor registered with Ministry of Chamber of Commerce & Industry (**C.R. No. 2204355**); established in the **year 2005**, for carrying out the following “**Commercial Activities**” in the Sultanate of Oman.

Insert Commercial Activities as Specified in CR

The company has its own identity due to the high profile of the leadership; with the objective to meet the ever growing needs of Earthworks, Roads, Highways, Bridges, Trench Excavation and Land development works, in the Sultanate of Oman.

The Company’s **Managing Director, Mr. Salem Bhakit Said Thoar Al Mahri**, is well known for his contribution/s in the development of this country for the past **14 years**, especially in the field of construction of Earthworks, Roads, Highways, Bridges and Land development works worth over **RO. 40 Million**, across the length and breadth of the Sultanate of Oman.

The Company’s **Dy. Managing Director, Mr. Musallam Said Al Musallami**, he is Ex PDO Employee 32 years experience in Oil and Gas. From 2016 jointed in Tilal Nimr.

The Company’s General Manager, **Mr. S.R.Samy** is having more than **23 years’** experience in Civil Engineering (Infrastructure) field, joined during the **year of 2013** and he is responsible for Engineering and Non Engineering Coordination of projects, Health, Safety & Environment and Quality Management Systems of the Organization. He has ample expertise in Inspection & Testing, Training, Process Mapping, Project Management, and well conversant with Codes & Standards, HSE & Quality requirements, having Laboratory proficiency in selection and testing of Materials. Moreover, he is a dedicated team leader, who has worked on several reputed and large size construction projects in Oman.

## ***VISION & MISSION***

### **Our Vision**

To be the prime local Procurement, Construction, Engineering, Operation & Maintenance and Project Management Company, continuing to deliver its contractual commitments to the satisfaction of all Clients / Customers and committed to excellence in all its operations.

### **Our Mission**

- 1) To become the industry leader in the countries in which we operate
- 2) To conduct business with high levels of professionalism and concern to the people & environment, abiding with the laws of the land
- 3) To sustain profitable growth
- 4) To improve efficiency and effectiveness continually to the highest industrial standards
- 5) To actively search for and implement technologies that support achieving the "Vision"

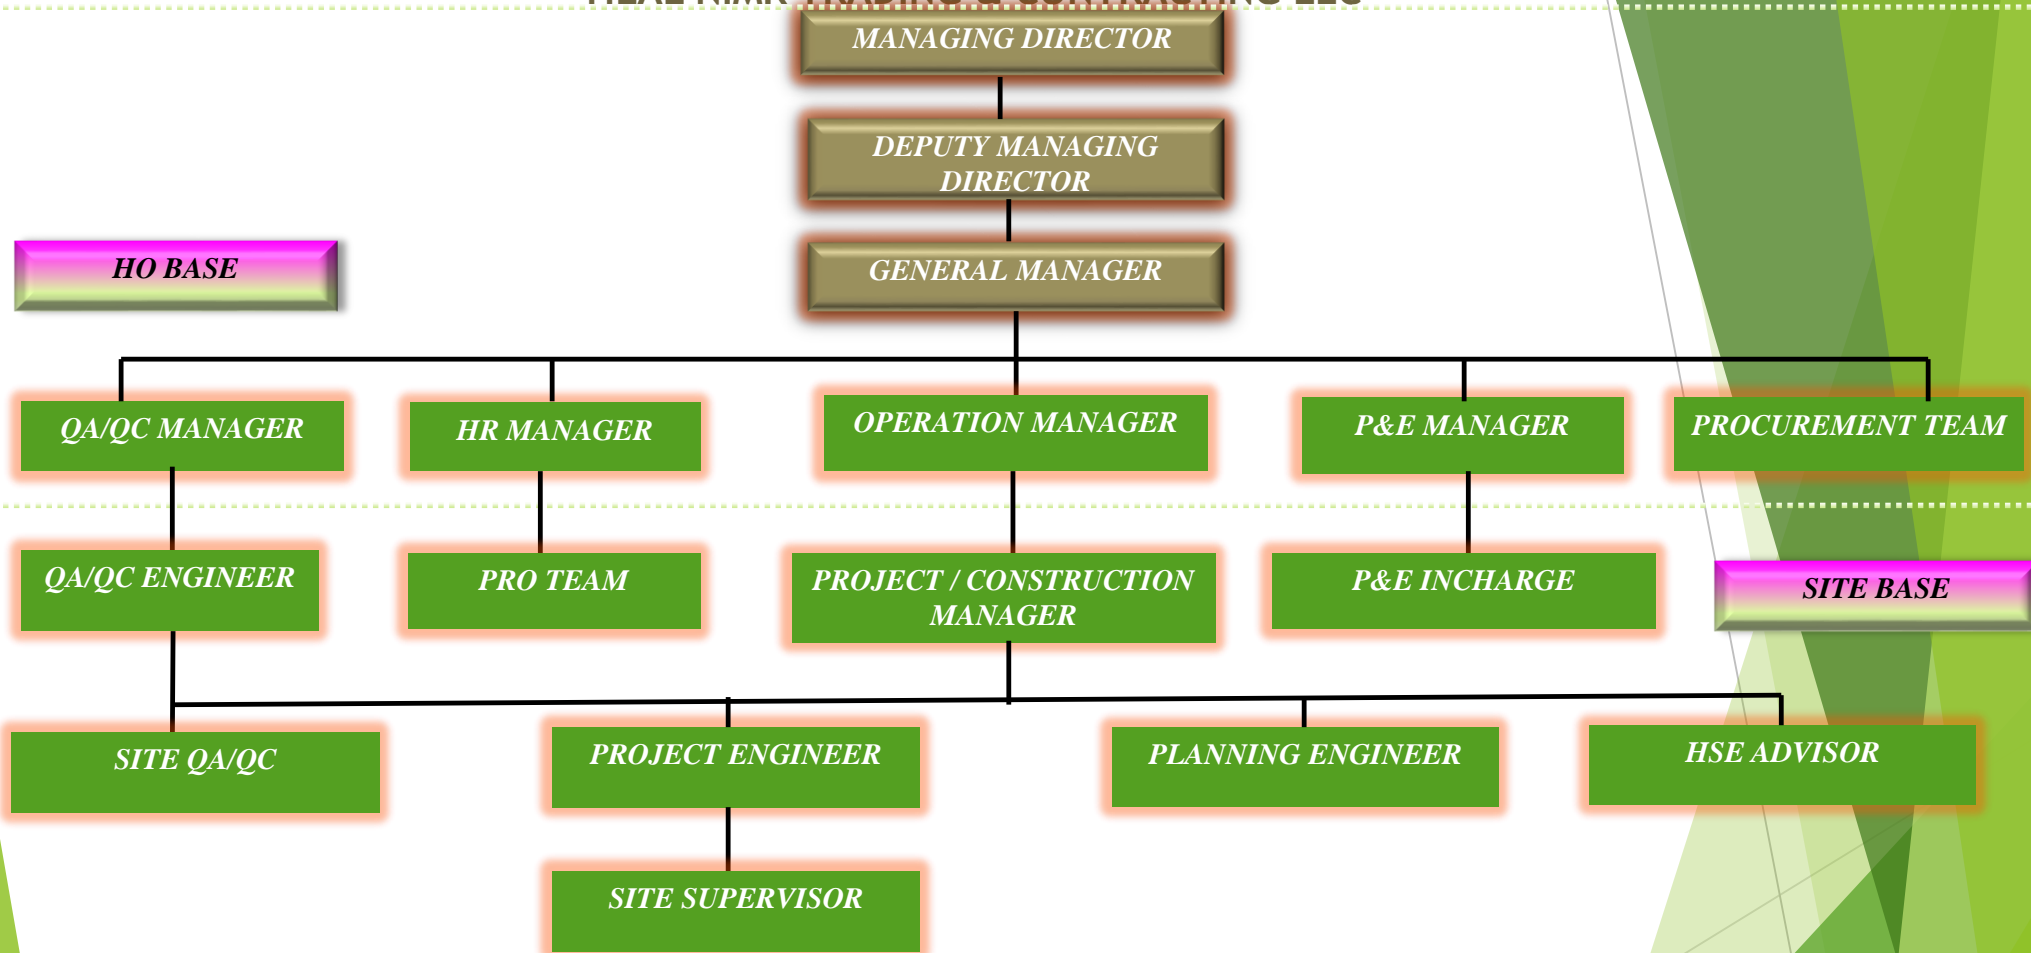

### **Corporate Objectives**

- 1) To conduct our business efficiently and professionally to the utmost satisfaction of the customer and beneficially for all parties involved.
- 2) To build & upgrade required infrastructure and expertise to meet future challenges
- 3) To maintain a dedicated, motivated and competent workforce
- 4) To achieve excellence in Quality, Health, Safety & Environmental protection

**Customer Satisfaction** is always in the forefront of our Operations. HSE, Quality & Reliability are the "corner-stones" of our business activities. "**Committed & Motivated**" workforce is our biggest asset and it is the goal of our team, to give our customers the best job possible. The Company is committed to continually improve its technical ability and methodology in line with the latest Developments / requirements, as demanded by the industry.

# COMPANY ORGANISATION STRUCTURE

TILAL NIMR TRADING & CONTRACTING LLC

# HEALTH & SAFETY AND QUALITY POLICEY

## Health and Safety Policy

### ***Our Goal: "No One Gets Hurt"***

Tilal Nimr Trading & Contracting Co. LLC is dedicated to preventing the accidental loss of any of its resources, including employees, physical assets and its sub-contractor's staff.

In fulfilling this commitment to protect both people and property;

- Tilal Nimr will provide a safe and healthy workplace for its employees and its sub-contractor employees and will provide requisite instruction and training.
- Tilal Nimr management will provide and maintain a safe and healthy work environment, in accordance with industry standards and in compliance with legislative requirements, and will strive to eliminate any foreseeable hazards which may result in property damage, accidents, or personal injury/illness.
- Tilal Nimr is committed towards control of Accidental loss through good management in combination with active employee involvement.

All major activities will comply with company safety requirements as they relate to planning, operation and maintenance of facilities and equipment. All employees will perform their jobs properly in accordance with established procedures and safe work practices.

I trust that all of you will join me in a personal commitment to make safety a way of life. So let's all work together to prevent incidents from creating unwanted losses and personal injuries or illnesses.

## Quality Policy

The policy of Tilal Nimr Trading & Contracting Co. LLC is to attain total Customer Satisfaction by providing a reliable and efficient service to its clients in the Civil Engineering & Construction fields.

The company is committed to establish, implement, monitor and review quality objective on periodic basis. The goal of the company is to achieve a high level of customer satisfaction at all times.

TILAL NIMR believes in the concept of client and Contractor working together in pursuing this policy and in continually striving for improvements in service quality.

The quality policy is based on 3 fundamental principles:

- Ensuring that we fully identify and conform to the needs of our Clients.
- Looking at our service provision, identifying the potential for errors and taking the necessary action to eliminate them.
- Everyone understanding how to do their job and doing it right first time.

The quality policy principles and objectives will be communicated and available to staff at all times.

Our Company will constantly review and improve on our services to ensure tasks are completed in the most cost effective and timely manner for the benefit of all our Clients.

We shall ensure that all our personnel understand and fully implement our Company's policies and objectives and are able to perform their duties effectively through an ongoing training and development program.
